Allegiance Title Frisco Relocates to Hall Office Park

Dallas (May 23, 2018) – Allegiance Title Company is pleased to announce its Frisco branch has moved operations to 3211 Internet Boulevard, Suite 130, Frisco, Texas. Allegiance Title Frisco now finds itself one of 180 businesses that have chosen to office out of this growing office community.

“We are thrilled to be a part of Hall Office Park. This is a growing and vibrant area and we are seeing more and more of our customers settle into areas as far north as Celina. Being in this new space affords us the opportunity to move with them and to offer a convenient location for their closings,” said Alicia White, senior vice president and manager for Allegiance Title Frisco.

The new office space both increases the office footprint and supports the company’s growth strategy. “Moving to Hall Office Park speaks to the significant opportunity for expansion in the current real estate market. As our customer base expands into areas north of the metroplex, we look forward to building on this positive momentum and helping them grow their business. Our commitment to our clients remains steadfast: to deliver the highest quality of customer service, provide the best tools, education and resources in the title insurance industry,” said Dawn Moore, CEO, Allegiance Title Company.

Frisco was named one of the fastest growing cities in the United States by the US Census Bureau in May of 2017. Great schools, a family friendly atmosphere and the influx of businesses moving into the area have all aided in Frisco’s growth.
